Mohave County, Arizona

Parcel ID: 313-06-248

Legal Description: GREATER KINGMAN INDUSTRIAL PARK UNIT 3 LOT 248

Address (if any): Hanover Road, Kingman, AZ 86401

Principal and interest are payable as follows:

1. Payment. Borrower will pay Lender 17 (Seventeen) of principal and interest payments in the amount of Three Hundred, Fifty Dollars (\$350) each for the Financed Amount, inclusive of interest, beginning 11/15/2020, with interest calculated on the unpaid entire principal balance at Zero Percent (0%) per annum. Note: Total Monthly Payments including Financed Amount, Property Taxes, and HOA (if any) are \$350 (Financed) + \$4.00 (Property Tax) + \$0.00 (HOA) = \$354. This estimated payment is based on the assumption that all payments will be made exactly as scheduled. The actual final payment will be for all principal and accrued interest not yet paid, together with any other unpaid amounts under this Note. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to any late charges, then to principal. Borrower will pay Lender through our payment system, or at such other place as Lender may designate in writing. The term of this Note is 17 (Seventeen) Months.
2. Default Rate. Upon default, including failure to pay upon final maturity, Lender, at its option, may, if permitted under applicable law, increase the interest rate on this Note by five (5) percentage points ("Default Rate"). The Default Rate of Interest shall thereafter supersede the rate set forth in Paragraph 1, above, even if the default is subsequently cured.
3. Prepayment. Borrower may prepay this note, in whole or in part at any time. There is no prepayment penalty.
4. Late Charge. If a payment is five (5) or more calendar days late, Borrower will be charged twenty-five (25) dollars, in addition to all other sums owed hereunder.
5. Default. Each of the following shall constitute an event of default under this Note:
  - a. Borrower fails to make any payment when due;
  - b. Borrower fails to comply with or to perform any other material term, obligation, covenant or condition contained in any other agreement between Lender and Borrower, including, but not limited to, the Purchase and Sale Agreement, Promissory Note and Land Contract;
  - c. Borrower defaults under any loan in favor of any other creditor, if such default may materially affect the Real Property securing this Note; and
  - d. Any statement made or furnished to Lender by Borrower to Lender in connection with this loan was false at the time the statement was made.

If any default, other than a default in payment, is curable and if Borrower has not been given a notice of breach of the same provision of this Note within the preceding twelve (12) months, it may be cured (and no event of default will have occurred) if Borrower, after receiving written notice from Lender demanding cure of such

default (1) cures the default within fifteen (15) days; or (2) if the cure requires more than fifteen (15) days, immediately initiates steps sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practicable, but not more than thirty (30) days with respect to any non-monetary default.

This Note is secured by a Land Contract of this same date.

The maker promises and agrees that in the case of a default in the payment of any sum required hereunder, or in the case of the failure to perform any covenant contained in the Land Contract securing this Note, or if the maker becomes insolvent or makes a general assignment for the benefit of creditors, then the unpaid principal balance and accrued interest shall, at the option of the holder or holders of this Note, immediately become due and payable although the time of maturity as expressed in this Note may not have arrived.

The Borrower promises and agrees that in the event of any sale, transfer, alienation, or other disposition of the Stock which is the subject of the Land Contract which secures this Note, or of any part thereof or of any interest therein, whether voluntary or involuntary, the entire unpaid principal balance and accrued interest shall, at the option of the holder or holders of this Note, immediately become due and payable although the time of maturity as expressed in this Note may not have arrived.

In the event of a default under the terms of this Note or under the terms of the Land Contract securing this Note, the Borrower agrees to pay all costs, including reasonable attorneys' fees, incurred in the collection of any unpaid amounts. Any county civil matters that pertain to the property are the Borrower's responsibility. Jurisdiction and venue of any claim, action or proceeding to enforce the parties' rights under this Note shall be in the state and federal courts located in Manatee County, Florida.

The Borrower waives presentment for payment, demand, notice, protest, notice of protest, diligence, and non-payment of this Note, and all defenses on the ground of any extension of time for payment that may be given by Lender to Borrower.
